By working closely with the ERB estate, all John Carter comics produced with Marvel Entertainment will be considered part of the official canon, adding new layers to the rich mythos created by Burroughs. Transported to the dying planet of Mars, Captain John Carter must now fight for his life against creatures unlike any ever seen by mankind. But as he finds himself enveloped by an alien civil war, he meets the proud and beautiful Dejah Thoris, Princess of Helium, who will change his life forever! "With our new partnership with Marvel Entertainment, we believe we have found the best creative force to revive the thrills and adventures in the 21st Century of the legendary John Carter of Mars. We are looking forward to introducing this original interplanetary adventurer to a new generation of fans and await the first issue with great anticipation," said James Sullos, President of Edgar Rice Burroughs, Inc. Re-envisioned
