

Read more: <http://goodcomics.comicbookresources.com/2010/09/26/a-review-a-day-neozoic/>

Oh, the high concept! Who doesn't love high concepts?!?!?!? As far as it goes, Neozoic has a pretty good one. In Earth's distant past, a spaceship crashes into an asteroid and alters its course, which means it smashes into Earth's moon instead of landing on the planet. This means there's no environmental catastrophe and no [...]
