

**Read more:** <http://goodcomics.comicbookresources.com/2010/10/22/espn-superheroes-how-will-marvel-marketing-screw-this-up/>

If you haven't seen or heard about the NBA preview in ESPN The Magazine (the world's most idiotically-named magazine!), it features various Marvel artists blending various Marvel characters with various NBA players. It's, frankly, pretty goddamned cool. And I'm sure Marvel will see absolutely no bump in comics sales from it, because they're, well, a [...]
