

Read more: <http://robot6.comicbookresources.com/2010/09/kieron-gillen-on-living-as-a-comic-writer-and-his-pact-with-jamie-mckelvie/>

I've known Kieron Gillen for years. I've had the opportunity to interview him multiple times, from his early beginnings in the British indie-comics scene to his first formative pro work Phonogram and on to his growing resume at Marvel, which includes Thor, Ares, S.W.O.R.D., Generation Hope and his recently announced gig co-writing Uncanny X-Men with [...]
