

Read more: <http://robot6.comicbookresources.com/2010/09/quote-of-the-day-j-m-dematteis-on-peter-parker-as-everyman/>

“Peter Parker is perhaps the most emotionally and psychologically authentic protagonist in any super-hero universe. Underneath that mask, he’s as confused, as flawed, as touchingly human, as the people who read — and write — about him: the quintessential Everyman. And that Everyman’s love for his new wife, for the new life they were building [...]
