

Read more: <http://robot6.comicbookresources.com/2010/11/teaser-doomsday-will-reign/>

On the heels of Marvel's "Death of Spider-Man" teaser, the DC Universe blog has posted an image of the blood-dripping Superman shield under the headline "Doomsday Will Reign!" Is this a case of good-natured ribbing from one publisher to another, or should readers expect dueling deaths — make that "deaths" — of two of the [...]
