

Christmas is the one day every year that we all look forward to. One of the best things about the holiday is that gifts are always being given, and with that in mind I went ahead and listed the following items that I would love to get this year. Some are things I've had my eyes on for some months/years, while others have been released more recently. Rise Of The Planet Of The Apes \$16.99 X-Men: First Class \$15.99 I would list the Blu-Ray versions, but I unfortunately don't have a Blu-Ray player so I'm stuck with the DVD's for now. Both X-Men: First Class and Rise Of The Planet Of The Apes were real surprises this year, ending up being some of the best movies of 2011. The former successfully brought the much maligned X-Men film series back to form, while the latter is one of the best examples of a film reboot as
