

Yes, cleavage is exciting to look at but its quite ridiculous to have all these female comic book characters always leading with their boobs. And i am yet to see a male character fighting crime while wearing some very revealing pair of panties or speedos. Actually, i am quite sure i don't ever want to see that. In his new comic, artist Aaron Diaz explains to us why cleavage has no business in crime fighting. At the end of the day, its not practical and unless there is some type of super duper glue action going on, there is no way these ladies are not experiencing some type of wardrobe malfunction everyday.
