

From Academy Award®-winning filmmaker Andrew Stanton, "John Carter of Mars" is a sweeping action adventure set on the mysterious and exotic planet of Barsoom (Mars). Based on the classic sci-fi novel by Edgar Rice Burroughs, the film tells the story of John Carter (Taylor Kitsch), who is inexplicably transported to Mars where he becomes embroiled in a conflict of epic proportions amongst the inhabitants of the planet, including Tars Tarkas (Willem Dafoe) and the captivating Princess Dejah Thoris (Lynn Collins). In a world on the brink of collapse, Carter discovers that the survival of Barsoom and its people rests in his hands. Pretty good, eh? Well, there's more images and details to be found in the magazine, but you'll have to head out and pick up a copy when it goes on sale next week to check out the six page John Carter feature for yourselves!
