

Seeds of Arkham by Batinthesun Pretty awesome, right? Obviously the film ends on a cliffhanger and if you want the story to continue Bat In The Sun is calling on the fans to help fund the next chapter in the story via Kickstarter. Click the image below to donate, you'll get some cool rewards for your contribution. I also recently had the opportunity to chat with Bat in the Sun's Aaron Schoenke who not only wrote and directed the film but also portrayed Nightwing. The exclusive interview will be posted on CBM soon. Be sure to head to Twitter and thank @BatInTheSun for all their hard work! Bat in the Sun Productions is a self-contained film and music production company. They are based in the Los Angeles area, 10 miles north of Hollywood California in the city of Calabasas. The company began in 2001 and was founded by Aaron Schoenke and Sean
