

Ridley Scott, director of Alien and Blade Runner, returns to the genre he helped define. With Prometheus, he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race. Thanks to Alien Prequel News for the the following poster. Expect an official version to turn up soon. RELEASE DATE: June 8, 2012.
