

Some great new stills from the highly anticipated second season here. We have our first look at Liam Cunningham as the noble Davos Seaworth and Gwendoline Christie as the formidable Brienne Of Tarth. There is also a new shot of Melisandre played by Carice van Houten alongside Stannis Baratheon played by Stephen Dillane, and Patrick Malahide as the ruthless Balon Greyjoy. The rest are new shots of returning characters from season one..

There are 17 stills in all, these are the pick of the bunch. To check out the rest head on over to the official Game Of Thrones Facebook page by clicking the link below.
