

Haven't had a good Daredevil rumor in a while! In an article listing actors that came close to playing superheroes, Moviehole mention that Vid Diesel was at one point in the running to play Daredevil before opting out in favour of Pitch Black. Of course the role then went to Ben Affleck, but as we know director David Slade is set to reboot the franchise for Fox with a brand new Matt Murdock. Several actor's names popped up around the time this was announced but Slade himself dismissed them all, saying he hadn't even thought about casting yet. Well some time has passed, and he may be thinking about it now. Could John Carter's Taylor Kitsch be a possibility? Moviehole think he might be.. ..And now, of course, David Slade is rebooting the franchise with everyone from Xavier Samuel ("A Few Best Men") to Taylor Kitsch ("John Carter") said to be in
