

Stark Industries Ru has posted this new and once again lackluster image from the sequel that nobody I know wants. I admit I'm not a fan of the franchise. As far as I'm concerned these movies belong in a jar of Fluff. If I was Will Smith I'd be looking for new representation soon. Between this and making his next movie with M. Night Shyamalan, I worry that Will isn't currently getting the best advice. Then again, if these don't work out he can always fallback on Independence Day 2 & 3. In Men In Black 3, Agents J (Will Smith) and K (Tommy Lee Jones) are back... in time. J has seen some inexplicable things in his 15 years with the Men in Black, but nothing, not even aliens, perplexes him as much as his wry, reticent partner. But when K's life and the fate of the planet are put
