

Robes are a pretty popular item at Christmas time but now that there are Superhero robes available, people are going to be fighting in the streets over them. Well, maybe it won't get that dramatic but we are pretty excited about these robes. They are super soft and the logos and imagery is embroidered into the robe, it's not just a sewn on patch. The new ones we have are Green Lantern, Superman, Batman, Joker, Wonder Woman and a new Red Security Star Trek Robe. You can check out all of them on our Superhero Robes page.
