

Today shooting continued in Los Angeles for Christopher Nolan's final Batman installment. Find out what some SuperHeroHype Forum Ninja's had to report below. Many Thanks to RedSkull & SmokeySFX for the info! "I'm here. They've done a bunch of takes of Bale getting out of the lambo in front of press as they ask "mr Wayne where have you been" he's limping and he has a cane. He ignores the reporters and walks inside. Some people here got great vids of it!"

-RedSkull SHH "Mr Wayne over here.. Where ya been hiding mr Wayne?" - Gotham Reporter Here's what SmokeySFX observed while being on set. 1. No snow 2. Bruce is hurt and using a cane 3. Bruce is attending a party without any girls in tow 4. Reporters asking where he has been 5. Bruce looked older to me.- SmokeySFX The Dark Knight Rises is scheduled to hit cinemas July 20th, 2012, and will feature an all-star cast that includes Christian
