

Marvel has just released these official images and details for Marvel's The Avengers LEGO sets, which were first teased at the 2011 San Diego Comic Con. While we've seen some of the below descriptions in the past, this is our first look at the contents of them and may just reveal a few new tidbits about what we can expect to see in the movie later this year.

Captain America's Avenging Cycle While riding his Avenging Cycle, Captain America spots the general on his craft. Help Captain America use his indestructible shield to defeat the general and his foot soldier! Win the battle and send them back to where they came from. The fate of the world lies in your hands. Includes 3 minifigures: Captain America and more.

Loki's Cosmic Cube Escape Official description: Loki is escaping from S.H.I.E.L.D. headquarters with the powerful Cosmic Cube. If he succeeds, he could use it to wreak
