The Gamera Heisei trilogy are known as some of the best Japanese kaiju films, right up there next to the original Gojira. The first film came out the same year Godzilla 'died' in Godzilla vs. Destoroyah. This trilogy would set Gamera on the map, no longer as a Godzilla cash-in. Let's face it, I enjoy Gamera vs. Guiron as much as the next kaiju fan, but the Showa Gamera films really weren't that good. The ones post Gamera vs. Gyaos were really laughable. Gamera 'died' in Super Monster in 1980. So fifteen later, he was revived for a new series of films. The super turtle was back, and seventeen years later, the film series still shines. This review will be on the first one, Guardian of the Universe. The story begins when a ship runs into something big. Soon after two people are attacked by something. One of them manages to send
