

Our round up of some smaller comic, Sci-Fi, Fantasy, Horror, Action, Anime and CBM related movie news that may be of interest. Definite horror theme today - no offence Dame Judie! First up is this poster for Tim Burton's latest animated project: Frankenweenie.. The movie, a full length version of his own 1984 short about a boy who resurrects his beloved pet dog Sparky Frankenstein-style, hits theatres Oct 5th and features the voices of Winona Ryder, Catherine O'Hara, Martin Short and Martin Landau. Via SFX Next is the first official image (there was a scan posted previously apparently) of Judie Dench as M in Sam Mendes' James Bond flick, Skyfall.. She is pictured with Mendes and Cinematographer Roger Deakins. This still accompanies an announcement stating that on Wednesday the official site will be revealing Mendes' first Skyfall video blog. Via Scriptflags And here are two international posters for the upcoming sequel to the surprisingly entertaining
