

The CW's Superhero Fight Club is back and they have a brand new participant, Supergirl! Unlike the previous version, the new ring appears to be a Danger Room-esque training room where Green Arrow, Flash, Atom, White Canary, Supergirl and Firestorm work together to take down a GLaDOS-like apparatus. The new promo video also features cameos from Cisco, Felicity, Diggle, Martian Manhunter and another surprise guest I won't spoil. The new season of DCTV on The CW kicks off this Tuesday with The Flash at 8/7c on the CW. That's followed by Arrow on Wednesday and Supergirl on Monday, October 10. Rounding out the season premieres is Legends of Tomorrow on Thursday, October 13.

UPDATE: It seems the video was intended to be viewed exclusively on The CW App so YouTubers are being hit with copyright strikes left and right.
