

Just got off of a fantastic call per the YOUNGBLOOD movie. After 3 years of dealmaking we are moving forward! #finally!!— robertliefeld (@robertliefeld) February 9, 2012 The last bit of news to emerge on the project had Bret Ratner still attached to produce the film and Liefeld reportedly directing the adaptation of his comic. No word on whether this remains the same.

Youngblood is a superhero team that starred in their self-titled comic book, created by writer/artist Rob Liefeld. The team made its debut as a backup feature in the 1987 one-shot Megaton: Explosion before later appearing in its own ongoing series in 1992 as the flagship publication for Image Comics. Youngblood was originally published by Image Comics, and later by Awesome Entertainment. Youngblood was a high-profile superteam sanctioned and overseen by the United States government. The members of Youngblood include Shaft, a former FBI agent and archer whose bow uses magnets to
