

Read more: http://www.mania.com/death-spiderman-team-announced_article_126467.html

Marvel's making its plans to be able to capitalize on the steady stream of Spider-man news that will be coming along for the next year plus while the new feature film is worked on. With that feature working heavily from the Ultimates universe of stories for the webslinger, it's interesting to see what Marvel will do while interest starts to grow among the casual fans...
