

Stan Lee celebrated his 94th birthday yesterday, and while we could argue all day about what his greatest creation/co-creation is, it may very well be The Avengers who have had the greatest impact. Appearing for the first time in 1963, Lee and Jack Kirby brought together Iron Man, Thor, Ant-Man, The Wasp, and The Hulk to create a team dubbed Earth's Mightiest Heroes. Since then, they've appeared in many different forms with countless heroes (and villains) joining their ranks. Oh, and let's not forget their two big screen adventures which each easily sailed past that all-important \$1 billion mark. What you'll find here then is a look at ten pretty amazing facts about The Avengers. From the story behind their creation to a look at some very weird adventures and moments in their history, this list will tell you all you need to know about what makes these heroes both so mighty and so very unique. var l_ttlPages = 10;
