

Today, I've decided to combine The Avengers with some of our favourite monsters. It'll be a collection of photoshopped pics of different characters to look similar to the Avenger I've matched them to. Yes, Loki will be featured. I'll explain why I chose them. As a fair warning, these pics aren't the best edited, but I did my best. So don't tell me I need to work on my photoshop work, because I'm aware of it. Also, it won't just be 80's slashers. Let's begin. Nick Fury-Pinhead I chose Pinhead because he seems to be the most powerful of the slasher villains. With that, it would make sense he'd be the one to bring them together like Nick Fury did. Plus, he does have a similar presence to Fury. Terminator-Ironman I know he's not a horror character, but he fits Ironman best, for obvious reasons. The metal suit is the key feature here. I'm aware
