

Ep. 7 Clip - Maester Luwin Speaks With Osha Ep. 7 Clip - Commander Mormont Speech
Explaining that the future of the Lannisters is at stake, Tywin (Charles Dance) presses Jaime to "be the man you were meant to be" as they prepare for battle. Ned confronts Cersei about the secrets that killed Jon Arryn. With the fate of the missing Benjen (Joseph Mawle) very much on his mind, Jon Snow takes his Night's Watch vows, though not with the assignment he coveted. After Ser Jorah (Iain Glenn) saves Daenerys from treachery, an enraged Drogo vows to lead the Dothraki where they've never gone before. An injured Robert takes pains to ensure an orderly transition at King's Landing. By TwitterButtons.com
