

Combining the stories of 'The Crab with the Golden Claws', 'The Secret of the Unicorn' and 'Red Rackham's Treasure', the film depicts Tintin's (Jamie Bell) first encounter with Captain Haddock (Andy Serkis) and the discovery of a clue to the treasure of his ancestor Sir Francis Haddock. They set out to find it with protection from a prison escapee who tried to get the treasure as well as Detectives Thompson and Thomson (Simon Pegg and Nick Frost).

What I saw was pretty much accurate to the books. Anyway, directed by Steven Spielberg, The Adventures of Tintin: Secret of the Unicorn starring Jamie Bell, Andy Serkis, Simon Pegg, Nick Frost, and Daniel Craig is set to be released on December 23, later this year! By TwitterButtons.com
