

On Collider's set visit for Guy Ritchie's upcoming film Sherlock Holmes: A Game Of Shadows, a list of 20 things to know about the sequel to the 2009 Holmes was put together. Among the parts that stand out include the film's relationship to its predecessor. Game Of Shadows takes place six months after the first film and will have a more ominous tone, and you won't have to see the original to understand the sequel. Also, the following confirms that composer Hans Zimmer (who composed Ritchie's first outing) will come back for the film, and that ideas for a third film have been discussed (Iron Man 3 scribe Drew Pearce was recently hired to pen the third installment). Also including info on Jared Harris and Noomi Rapace's characters, as well as whether or not they considered filming in 3D, check out the full list below... The story starts about six months after
