

Uncovered via Tumblr and SlashFilm, First Showing has come across the beginning of Fox's campaign for Andy Serkis to receive a well deserved 'Best Supporting Actor' nod at the 2012 Academy Awards. His motion capture performance as Caesar in Rise of the Planet of the Apes received almost unanimous critical acclaim and the past few months have seen an outpouring of fan support. Will the Academy listen? Only time will tell. Don't forget, you can show your support for this campaign by following @OscarForAndy on Twitter. Stay tuned to CBM for more updates on this as soon as they become available and be sure to sound off with your thoughts below.
