

I have to say, I love that new teaser for The Amazing Spider-Man. Garfield looks great as Parker, the costume is just what you expect from a homemade design, and that POV style at the end...brilliant! It's still very early to say if the film will be good or not, but here are thirty high-res screenshots from the trailer, showing us Dr. Connors, Gwen Stacy, Spidey and much more. [Click on images to enlarge]

The Amazing Spider-Man will be released in 3D on July 3, 2012. The film stars Andrew Garfield, Emma
