

5. JOE MANGANIELLO The 35-year-old actor has already come close to playing a superhero in the past when he was considered for Superman in Zack Snyder's Man of Steel, but a scheduling issue with HBO's True Blood prevented him from completing his audition. Just recently he expressed interest in playing The Punisher and Batman in a future reboot. But could he be interested in dying his hair blonde and riding a green tiger? He certainly has the body for the role and being the tallest actor on the list at 6 feet 5 inches ain't too shabby either. Throw in the fact that he spent most of Magic Mike in a thong he certainly won't mind wearing He-Man's skanky costume.

4. JAI COURTNEY Jai's star is certainly on the rise. Yeah you might have seen him in Starz's Spartacus: Vengeance, but if you missed him in that you will surely notice him in his
