amazing final trailer for Logan was revealed a little earlier today, and it featured some cool new
reveals. However, director James Mangold has broken down the preview and you can find his
most interesting comments about what it contained below. Recaps of the movie's first forty
minutes have also surfaced, and we've sifted through those to bring you the biggest and most
shocking revelations. What sort of juicy details are we talking about? Well, how does news on
Wolverine's mysterious illness and the fate of the X-Men take your fancy? What about Donald
Pierce's big secret
