

var l_ttlPages = 5; var l_url = location.pathname.replace(location.hash, ""); var qs = (function(a) { if (a == "") return {}; var b = {}; for (var i = 0; i 2 && l_page This time last year, we all thought that 2016 would be the best year ever for superhero movies. There was certainly plenty to love about those 365 days, but we were also faced with a lot of disappointments. No one could have predicted that Batman v Superman: Dawn of Justice would be a flop with critics or that X-Men: Apocalypse - which looked like a hit - would be a box office failure. With all of that in mind, it got me thinking about the possible ways that 2017 could also prove to be a let down for superhero movies and us fans.
