right now, we really don't know that much about what to expect from Avengers: Infinity War.  
Had the currently untitled fourth instalment still been Infinity War - Part II, we could have at least  
assumed that it would slowly tell the story of Thanos' arrival on Earth, but for all we now know,  
the Mad Titan could be dealt with by the time the credits roll for a new threat to emerge and take  
on the heroes. We'll have to wait and see, but if there's one thing I'm sure of, it's that someone  
is
