

var l\_ttlPages = 6; var l\_url = location.pathname.replace(location.hash, ""); var qs =  
(function(a) { if (a == "") return {}; var b = {}; for (var i = 0; i 2 && l\_page While  
we still don't know the title of the fourth Avengers movie, chances are that it will wrap up Phase  
3 with Earth's Mightiest Heroes (and the Guardians of the Galaxy) engaging in a final battle with  
Thanos. That is after all a plot thread which Marvel Studios has been teasing since The  
Avengers was released back in 2012, but what comes next? What will be the big event movies  
of Phase 4 and 5? That's a question that probably only Kevin Feige knows the answer to, but  
looking at the comic books, it's clear that there are
