

From Academy Award®-winning filmmaker Andrew Stanton, "John Carter" is a sweeping action adventure set on the mysterious and exotic planet of Barsoom (Mars). Based on the classic sci-fi novel by Edgar Rice Burroughs, the film tells the story of John Carter (Taylor Kitsch), who is inexplicably transported to Mars where he becomes embroiled in a conflict of epic proportions amongst the inhabitants of the planet, including Tars Tarkas (Willem Dafoe) and the captivating Princess Dejah Thoris (Lynn Collins). In a world on the brink of collapse, Carter discovers that the survival of Barsoom and its people rests in his hands. John Carter stars Taylor Kitsch, Willem Dafoe, Lynn Collins, Mark Strong, and will be released on March 9, 2012. By TwitterButtons.com
