

var l_ttlPages = 6; var l_url = location.pathname.replace(location.hash, ""); var qs = (function(a) { if (a == "") return {}; var b = {}; for (var i = 0; i 2 && l_page Avengers: Infinity War looks set to be the biggest superhero movie of 2018 and possibly of all-time, so it's hardly a surprise that Marvel Studios is now making some major casting additions. The first of those may very well be Game of Thrones star Peter Dinklage as we learned just a couple of days ago that he will take on a "key role" in the Marvel Cinematic Universe in both Infinity War and The Avengers 4. However, that leads us to wonder who on Earth (or in the cosmos) the award winning actor could be playing. A lot
