Avengers: Infinity War has started shooting in Atlanta, and with it set to film back to back with the currently untitled fourth instalment of the franchise, it's going to a long few months of various actors from across the Marvel Cinematic Universe making their way to and from the set. When Marvel will reveal some official details remains to be seen, but chances are it won't be for quite some time. However, there are lots of rumours and fan theories out there, and what you'll find here are my thoughts on at least six things we can
