Spider-Man: Homecoming may not have the same grand scale as Thor: Ragnarok or Justice League, but it's still shaping up to be one of this year's most exciting superhero movies! While Peter Parker made his debut in the Marvel Cinematic Universe in Captain America: Civil War, it's this reboot which promises to delve into both his place there and this younger version's life in a significant way. Outside of the first trailer and a handful of rumours, we have no idea what to expect from the movie, but that doesn't mean we can't speculate! I'm a
