Spider-Man: Homecoming looks amazing, and while it's set to introduce us characters like Liz Allan, Ned Leeds, and Adrian Toomes, there are clearly some notable omissions. That's been clear since the movie started casting, and with that first trailer shedding some light on at least who some of those people are playing, we now know for sure which fan-favourite comic book characters won't appear. I'm not necessarily talking about villains either. In fact, there's a long list of supporting characters who are nowhere to be seen in Spider-Man: Homecoming, and they need to show up in the
