was an important year for Warner Bros. and the DC Films Universe and, well, it didn't exactly go
as planned. Both Batman v Superman: Dawn of Justice and Suicide Squad were panned by
critics and received a mixed response from fans, and while both did well at the box office, the
former definitely disappointed as a movie featuring these two icons really should have sailed
past the \$1 billion mark. Now, I liked both of those movies, but it's clear some changes need
to be made. Many believe that it will be Wonder Woman and the new
