We toured sets — including a weirdly convincing fibreglass tube train, a partially flooded subterranean tunnel and a platform of Temple Station, all constructed on the gargantuan 007 Stage — then were also treated to a small but impressive explosion, during a scene in which Bond (Daniel Craig) desperately pursues this movie's big bad, Silva (Javier Bardem). - EMPIRE Skyfall, Craig's third outing as James Bond will be released on October 26, 2012. Daniel Craig will be joined by Javier Bardem, Ralph Fiennes, as well as a Judi Dench as M.
