

Christmas is around the corner and the CBM team will be bringing you a bunch of ideas to help you stuff your stockings and put some awesome gifts underneath your tree. Check out my gift guide below. 1.) Cool Threadless Superhero Tees: All tee's are only \$9.99 [Click images to view tees] 2.) The Art of Marvel Studios: 912 pgs of awesome art from all of Marvel's movies. A must have for any fans of the Marvel Cinematic Universe [Click image to view book] 3.) AKIRA on Blu-Ray: Often described as the movie that created a mass audience for Japanese animation in America, Katsuhiro Otomo's Akira (1988) has been eagerly awaited on Blu-Ray [Click image to purchase] 4.) The Wheel Of Time Box Sets: The awesome series first started by the late Robert Jordan will be wrapping up soon under the guidance of Brandon Sanderson but now is as good of a time as any to
