

Magic isn't all fun and games in Syfy's *The Magicians*, something that Quentin Coldwater and his friends learned when confronting the malevolent Beast at the conclusion of season 1. With Julia betraying the group in favour of seeking revenge, and the remaining cast set to become kings and queens of Fillory after narrowly surviving, there's plenty of new story direction for season 2 of the adaptation of Lev Grossman's novels. A new featurette released by Syfy has given fans a look into the journey the characters will be taking this season, which you can check out below! Season 2 of *The Magicians* will premiere on Syfy on January 25, 2017. Based upon Lev Grossman's best-selling books, *The Magicians* stars Jason Ralph (*A Most Violent Year*, *Aquarius*) as Quentin Coldwater, a brilliant grad student who enrolls in Brakebills College for Magical Pedagogy, a secret upstate New York university specializing in magic. He and his 20-something friends soon discover that the magical fantasy world they read about as children
