

So I can not give too many details as to how I was able to see the movie (I don't think anyway) but a friend hooked me up. Let me start by saying that I do have a GL bias, given that I've read the entire volume 5 of green lantern. I was hooked ever since his (green lantern's) involvement with the death of Superman story line. This is the Spoiler Free section (I won't post the spoilers until I know how to make the font white, unless highlighted) On Similarity to the Source: The movie stayed pretty true to the source material with many little easter eggs and fan nods throughout the movie. There were many parts of the film that had me "Ooh"ing with excitement over the nerdy fan services. However, that is not to say that this was not geared for main stream audience. The man next to me said he'd
