

By: Mark Julian IS THIS THE FINAL FORM OF THE LIZARD These are reportedly leaks from the exclusive footage shown at this years San Diego Comic-Con. Surprisingly, the footage never leaked on the internet so this one remains a possibility rather than a fact...for now. THIS IS AT LEAST ONE FORM OF THE LIZARD It's been confirmed repeatedly through the film's toyline that the Lizard will look like the below concept art at some point during the film. As mentioned above, the burning question now is whether Doc Connors will undergo a final transformation to a more "snouty" version. NO DAILY BUGLE IN THE AMAZING SPIDER-MAN Director Marc Webb confirmed in an interview with Empire that the movie firmly centers on Peter's high school years and will not step inside the doors of The Daily Bugle. However, Webb does say that the newspaper will at least be mentioned. TO BE PROTO-GOBLIN OR NOT TO BE.... Bollywood
