

What is WEAPON Plus? It is a government controlled program that creates super soldiers by experimenting on humans, mutants, and finally bred organisms fused with technology to train as WEAPONS. The idea came from writer Grant Morrison during his run in New X-Men. The program's purpose is the creation of supersoldiers intended to fight the wars of the future, especially a Mutant-Human war. (Other established characters are retconned to be part of this program). The WEAPON Plus program assigns numerical value as they progress towards a newer version. The program started with WEAPON 0 which was the basis for Operation Rebirth. 1. WEAPON I (Operation Rebirth) produced: Captain America: Steve Rogers Captain America was the first successful super-soldier of Operation Rebirth, which unknown to Rogers then was part of the WEAPON I program. Isaiah Bradley Isaiah Bradley was part of the experiment to try to recreate the success of Operation Rebirth with Captain America. He was part
