

The website Jalopnik is reporting that Tony Stark's hot new ride won't just be a fictional vehicle for the movie, but in fact be hitting your a showroom near you in the future. The new vehicle that is designed to look like the one in the photos below is an Acura NSX. It will be a hybrid! According to an Acura dealer national meeting attendee's furtive report from the Aria hotel in Las Vegas, the new Acura NSX that'll reportedly be shown at next month's Detroit Auto Show will look extremely similar to Tony Stark's car in the upcoming Avengers movie. But wait, there's more. It'll also be, according to our tipster, a "hybrid" — yes, you read that correctly — and "will hit dealer showrooms in 24 months." Also, it'll be AWD. - Jalopnik Marvel's The Avengers picks up when an unexpected enemy emerges that threatens global safety and security. And Nick
