

The images and trailers we have seen from Marvels upcoming foray in anime with Iron Man have been pretty impressive. Along with Wolverine, Iron Man is set to premiere on G4 July 29. Hero Complex recently caught up with Heroes star Adrian Pasdar who is the voice of Tony Stark aka Iron Man in the animated series to see what he had to say about the role. What follows are just a few excerpts from the interview at Hero Complex... How were you first introduced to Iron Man and Tony Stark? I think my knowledge of the Marvel character came through my childhood and the comics, and obviously through the resurgence of the character through the [Jon] Favreau films. I did have an understanding of it through the comics as a kid, so the opportunity to do it was just really exciting. The format was the most challenging element. It's Japanese animation, and
