

Fans were a bit skeptical when it was announced that we'd be getting a small-screen take on The Spirit of Vengeance for Marvel's flagship TV series, but as the third season of Agents of S.H.I.E.L.D. continues, most would have to admit that Robbie Reyes has been a very successful addition to the show. In fact, many viewers would now like to see some sort of solo outing for the character, perhaps even on Netflix. During an interview with Comicbook.com, actor Gabriel Luna confirmed that there have been conversations about a potential spinoff, though he doesn't elaborate further. "It's been talked about, there's definitely deals in place for that potential. But I just take it one day at a time. I have so much fun now I just want to make sure I get these episodes right. If they throw more episodes on my plate, I will do my best to do well with those stories as well." Is it possible that Ghost Rider's
