

Its been a long time coming. As the final season is wrapping up, Apple has decided to gift the fans of the show 10 episodes for free and in High Definition. To take advantage of this opportunity, just log in to itunes or download it if you dont have it already, go to the Smallville TV show page and download each episode for free. I'm sure fans of the show would rather have it go on but in my opinion this is a pretty sweet deal for all die hard Smallville fans. So take advantage of it while you can for you will have to say goodbye soon. <img src="http://24.media.tumblr.com/tumblr_lkh3b8OMll1qzydh2o1_500.gif" /
